

APPROVED SERVICE PROVIDERS SCHEME

The Scheme is designed for businesses like yours that provide help and support to the art and antiques trade as well as private collectors and owners of art and antiques.

LAPADA The Association of Art & Antiques Dealers was founded in 1974 to represent professional dealers. With more than 600 members specialising in virtually every discipline from antiquities to contemporary art, it is the largest association of its kind in the UK.

The benefits of becoming a LAPADA Approved Service Provider include:

- Entry in LAPADA's Directory of Members in a dedicated section for Approved Service Providers.
- Entry on the LAPADA website, www.lapada.org, in a section dedicated to Approved Service Providers with a direct link to your own website.
- Approved Service Providers will be promoted at the following Antiques fairs: LAPADA in Berkeley Square, London, The Winter Fine Art and Antiques Fair, Olympia, London and The International Fine Art & Antiques Fair, Olympia, London and other fairs across the UK from time to time.
- A sticker denoting status as an Approved Service Provider to be displayed on your premises.
- Special logo denoting status as an Approved Service Provider which can be used on your stationery and website.
- New Service Providers will be welcomed in LAPADA's regular e-newsletter.

All applications will be considered by LAPADA's Board of Directors and will need to be unanimously approved by them, before Service Provider status is confirmed.
